

## **Fairfax County Public Schools**

### **Guidelines for Independent Educational Evaluations**

The Regulations Governing Special Education Programs for Children with Disabilities in Virginia stipulate that "... if an independent educational evaluation is at public expense, the criteria under which the evaluation is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria which the local educational agency uses when it initiates an evaluation."

Pursuant to these regulations, Fairfax County Public Schools (FCPS) has established the following criteria:

**I. Evaluators must:**

- A. Hold a current license from the Virginia Board of Education or its equivalent, if practicing in Maryland or the District of Columbia, or
- B. Hold a current license from the Virginia Board of Licensure permitting the evaluator to practice within the state of Virginia or its equivalent, if practicing in Maryland or the District of Columbia.
- C. Practice within a fifty-mile radius of Fairfax County, Virginia.
- D. Complete a contractor and employee certification form regarding criminal convictions.

**II. The following standards and guidelines shall be adhered to when conducting evaluations:**

- A. Prior to evaluating the student, evaluators are required to discuss the evaluation with an FCPS due process and eligibility specialist to ensure that tests are not inappropriately repeated and that the scope of the evaluation does not fall short nor exceed that of the evaluation in question. Additional testing or follow-up visits must be authorized in advance by the specialist.
- B. The evaluation shall be conducted in an office, school facility or other appropriate professional setting. The complete evaluation must be administered by the individual whom the school division has agreed to fund.
- C. All tests are to be administered individually.
- D. Unless prior arrangements have been made, the most recent edition of a test must be used. (Any test standardized prior to 1980 must have prior approval.)
- E. All tests must be administered and scored in accordance with the instructions in the test manual.
- F. Tests are to be administered in their entirety, unless a specific prior agreement has been reached.
- G. All tests or subtests which comprise a scale or cluster must be administered and standard scores for the scale or cluster must be reported.
- H. Tests are to be selected to ensure that each identified area of concern is addressed. A list of tests approved for use by FCPS staff is available on request.
- I. All tests selected must be racially and culturally nondiscriminatory and must be validated for the specific purpose for which they are used.
- J. Materials and procedures used to assess a child with limited English proficiency must be selected and administered to ensure that they measure the extent to which the child has a disability and needs special education and related services, rather than measuring the child's English language skills.
- K. All tests must be provided and administered in the child's native language or other mode of communication, unless it is clearly not feasible to do so.
- L. Tests are to be selected and administered to ensure that the results accurately reflect the child's aptitude or achievement level or whatever other factors the test purports to measure rather than reflecting the child's impaired sensory, motor, or communication skills. The only exception to this would be those cases in which the skills are factors that the test purports to measure.
- M. Informal and/or nonstandard measures may be used to supplement the formal assessment.

**III. The following standards and guidelines shall be adhered to regarding evaluation reports:**

- A. Relevant behavioral observations are to be described within the report.
- B. If an assessment was not conducted under standard conditions, a description of the extent to which it varied from standard conditions must be included in the evaluation report.
- C. All scores obtained from administered tests must be provided within the body of the report or in an attached appendix.

- D. Individual evaluators are expected to maintain objectivity in reporting their findings. Evaluators shall refrain from making specific recommendations for placement or eligibility, as federal and state regulations stipulate that these decisions are to be made by multidisciplinary committees.

The following fees have been established by FCPS:

<b>Evaluation</b>	<b>Fee</b>
Psychological evaluation	up to \$1400
Educational evaluation	up to \$1000
Sociocultural evaluation	up to \$400
Speech/Language evaluation	up to \$500

Please note the following procedures for the submission of bills:

- **The original signed evaluation report will be provided to the coordinator of Due Process & Eligibility who will, in turn, provide a copy to the parent. The original evaluation report will be forwarded to the child's school.**
- The bill for the independent educational evaluation should be submitted to Fairfax County Public Schools:  
**Due Process & Eligibility**  
**8270 Willow Oaks Corporate Drive, Second Floor**  
**Fairfax, Virginia 22301**
- Payment for the evaluation will not be processed until the school division receives the original signed report.

If there are questions regarding these guidelines, please contact Due Process & Eligibility at 571-423-4470.

Ms. Schaefer,

I received your letter regarding the IEE market rate payments, please keep me on your list of FPS-approved IEE providers for Functional Behavior Assessments.

I noticed you do not have a contractor certification regarding criminal convictions on file, how do I go about getting this for you? I have a copy of my FBI cleared background check if that would suffice. Please let me know.

Thank you,

Wow, we will accept those rates!!!!!!!!!! If it's \$1200 for ATE's and \$600 OTE's and the respective invoices are processed promptly (2 weeks) - we will refrain from seeking additional funding from this point forward and we will advise the attorneys/advocates and parents that contact us that FCPS IEE rates are fair market-rate. Please confirm and we will move forward, accordingly.

Andrew

Andrew,

We will not be able to guarantee that you will receive payment within 2 weeks. We have been informed that once we submit your invoice to FCPS finance office, it can take up to 45 days for a check to be sent. At times, established vendors have processed faster. Please let us know if you would like to be included on the list.

Hi Ms. Schaefer,

I hope this email finds you well. I apologize for not reaching out sooner. I did receive the letter regarding being an IEE provider for FCPS. Yes, I am in agreement with the new rates and would like to be included on the list of approved providers. I will follow up this email and send to you the form regarding Criminal Convictions, which was included in the letter sent by you.

In addition to the above mentioned form, is there anything else you need from me to be included on the list of approved IEE providers? Thank you!

Hi Ms. Schaefer,

I hope this email finds you well. I apologize for not reaching out sooner. I did receive the letter regarding being an IEE provider for FCPS. Yes, I am in agreement with the new rates and would like to be included on the list of approved providers. I will follow up this email and send to you the form regarding Criminal Convictions, which was included in the letter sent by you.

In addition to the above mentioned form, is there anything else you need from me to be included on the list of approved IEE providers? Thank you!

Respectfully,

Hello Dr. Varia,

While we will continue to welcome parents to select MindWell providers to address their independent educational evaluation needs, the list of providers we give to parents only lists those that are willing to work with FCPS at stated costs. Hi Ms. Cantu and Mr. Burgess,

I spoke with Mr. Burgess about this. I'm sorry that I didn't realize that you needed a copy (I just included the license number in my mailing). I've attached a scan of the license look up verification with the Virginia Department of Health Professions, since my copier's feeder chewed up my current license when I was trying to copy it. (Ugh)

As you'll see, my current license expires at the end of June and I'm in the process of renewing it. I'll send a copy of the new license when it arrives (making sure to not put it through the feeder...)

If you like, you can also verify yourself online at the license lookup link on the left side of this page: <http://www.dhp.virginia.gov/Psychology/>

Hope that helps.

Best,

RJD

Hi Angie,

I received the information you sent for Dr. Federici. I just need to know whether you accept our rates, and, if so, whether you want to be included as an IEE provider on the list we send out to parents. You may have already emailed our coordinator, Dawn Schaefer to accept our rates, but I'm just not aware of that yet.

Thanks,

That makes sense to me. Thank you. You can actually take Amy Bereiter off the AT evaluation list. I had forgotten that she can't actually do AT evaluations as she also works for one of the companies that makes some of the devices used.

Will get you Jane and Amanda's criminal convictions letter asap.

Thanks again,

Cari,

Thank you for the provider licenses, we are just waiting on their criminal conviction forms.

Thank you for sharing your internal process for IEE AT evaluations. We are not in a position to approve, deny, or endorse your practices since you are an independent evaluator. We understand the complexity of AT evaluations, which is why we have increased our rate to \$1200. Any overage is the parent's responsibility. Also, FCPS does not invite IEE providers to attend meetings, but parents may, at their expense.

Please let me know if you have any further questions.

Hi Beth - Attached is what we worked out with LCPS - just adapted for you ! Let me know what questions you have. Because of the complexity of these evaluations, we felt like it was a good idea to have as clearly laid out as possible. I

am also attaching the 3 licenses of the 3 professionals who would do these types of evaluations: Amanda Miller, Jane Bomba and Amy Bereiter. I will send you their criminal conviction forms as soon as possible.

Please let me know what else you need.

Hi Beth. Jane Bomba and Amy Bereiter are the therapists who currently perform those evaluations. Amanda Miller currently works for FCPS but will be transitioning full time to our staff this summer and is also trained to perform them. I will get all of their current licenses to you tomorrow or Wednesday.

We currently perform IEEs for Loudon County and the AT evaluations have been done a number of ways given the nature of the situation. For example, the last one we did included the bulk of the evaluation in Annandale but then there was a school observation as well. Would it be ok if I have Jane or Amy get in touch with you to talk about what they do with these in more detail? Because of the nature of the evaluations and what it takes to make sure what's being recommended is functional for the school and the child, they certainly are more involved than our typical evaluations.

Thanks

Hi Dawn - I hope you are well. Several of my therapists received the letter your office sent outlining the new rate structure for IEEs. I am thrilled to see that Speech is covered now up to 500 but unfortunately, that is still short of our cost of \$550 for full evals on children over the age of 4. My understanding has been that by law, parents can ask for an exception in order to receive this service from us. Has anything changed as far as that goes?

I would say (nicely) that their internal process isn't something we're getting in the middle of, so this document isn't something we're approving, denying, or endorsing.

We understand the complexity of ATS evals and that is why they are paid at a higher rate. Any overage is the parent's responsibility.

I would also clarify that we do not invite IEE providers to attend meetings, but parents may, at their expense.

Dawn,

Please see the AAC proposal from Skill Builders. I have some concerns with including bullets 2 & 3 in the second section. I think we need to request that either be removed or changed to state, if the parent requests those services, then the parents will be billed directly, not FCPS. Let me know what you think and I will get back to Cari.

Hi Beth - Attached is what we worked out with LCPS - just adapted for you ! Let me know what questions you have. Because of the complexity of these evaluations, we felt like it was a good idea to have as clearly laid out as possible. I am also attaching the 3 licenses of the 3 professionals who would do these types of evaluations: Amanda Miller, Jane Bomba and Amy Bereiter. I will send you their criminal conviction forms as soon as possible.

Please let me know what else you need.

Hi Beth. Jane Bomba and Amy Bereiter are the therapists who currently perform those evaluations. I will get all of their current licenses to you tomorrow or Wednesday.

We currently perform IEEs for Loudon County and the AT evaluations have been done a number of ways given the nature of the situation. For example, the last one we did included the bulk of the evaluation in Annandale but then there was a school observation as well. Would it be ok if I have Jane or Amy get in touch with you to talk about what they do with these in more detail? Because of the nature of the evaluations and what it takes to make sure what's being recommended is functional for the school and the child, they certainly are more involved than our typical evaluations.

Thanks

Hi Dawn - I hope you are well. Several of my therapists received the letter your office sent outlining the new rate structure for IEEs. My understanding has been that by law, parents can ask for an exception in order to receive this service from us. Has anything changed as far as that goes?

Hi Beth - Attached is what we worked out with LCPS - just adapted for you! Let me know what questions you have. Because of the complexity of these evaluations, we felt like it was a good idea to have as clearly laid out as possible. I am also attaching the 3 licenses of the 3 professionals who would do these types of evaluations: Amanda Miller, Jane Bomba and Amy Bereiter. I will send you their criminal conviction forms as soon as possible.

Please let me know what else you need.

Hi Beth. Jane Bomba and Amy Bereiter are the therapists who currently perform those evaluations. Amanda Miller currently works for FCPS but will be transitioning full time to our staff this summer and is also trained to perform them. I will get all of their current licenses to you tomorrow or Wednesday.

We currently perform IEEs for Loudon County and the AT evaluations have been done a number of ways given the nature of the situation. For example, the last one we did included the bulk of the

evaluation in Annandale but then there was a school observation as well. Would it be ok if I have Jane or Amy get in touch with you to talk about what they do with these in more detail? Because of the nature of the evaluations and what it takes to make sure what's being recommended is functional for the school and the child, they certainly are more involved than our typical evaluations.

Ok thanks. The options right now for OT assessments would be Lauren Mazel, Cassandra Hawkins, Prerna Basnet and Este Sherwin. For speech you can take my name off that list as I no longer evaluate. You can also take Amanda DeAngelis and Magdalena Brier off of that list. Jane and Michael's licenses are attached.

Thanks!

Hi Dawn - I hope you are well. Several of my therapists received the letter your office sent outlining the new rate structure for IEEs. I am thrilled to see that Speech is covered now up to 500 but unfortunately, that is still short of our cost of \$550 for full evals on children over the age of 4. My understanding has been that by law, parents can ask for an exception in order to receive this service from us. Has anything changed as far as that goes?

Ok thanks. The options right now for OT assessments would be Lauren Mazel, Cassandra Hawkins, Prerna Basnet and Este Sherwin. For speech you can take my name off that list as I no longer evaluate. You can also take Amanda DeAngelis and Magdalena Brier off of that list. Jane and Michael's licenses are attached.

Thanks!

Hi Dawn - I hope you are well. Several of my therapists received the letter your office sent outlining the new rate structure for IEEs. I am thrilled to see that Speech is covered now up to 500 but unfortunately, that is still short of our cost of \$550 for full evals on children over the age of 4. My understanding has been that by law, parents can ask for an exception in order to receive this service from us. Has anything changed as far as that goes?

None of the OTs on that list would be providing an IEE at this time. Would you like updated licenses on the SLPs you listed even though we aren't going to be on your list any more or should we just wait until we are actually scheduled for one?

Thanks

Hi Beth. Jane Bomba and Amy Bereiter are the therapists who currently perform those evaluations. Amanda Miller currently works for FCPS but will be transitioning full time to our staff this summer and is also trained to perform them. I will get all of their current licenses to you tomorrow or Wednesday.

We currently perform IEEs for Loudon County and the AT evaluations have been done a number of ways given the nature of the situation. For example, the last one we did included the bulk of the evaluation in Annandale but then there was a school observation as well. Would it be ok if I have Jane or Amy get in touch with you to talk about what they do with these in more detail? Because of the nature of the evaluations and what it takes to make sure what's being recommended is functional for the school and the child, they certainly are more involved than our typical evaluations.

Thanks

Ok thanks. The options right now for OT assessments would be Lauren Mazel, Cassandra Hawkins, Prerna Basnet and Este Sherwin. For speech you can take my name off that list as I no longer evaluate. You can also take Amanda DeAngelis and Magdalena Brier off of that list. Jane and Michael's licenses are attached.

Thanks!

If you would like to have your SLPs up to date, please send their licenses at this time, so we can approve the parent requests more quickly.

I will let Dawn know about the AT assessments and get back to you.

None of the OTs on that list would be providing an IEE at this time. Would you like updated licenses on the SLPs you listed even though we aren't going to be on your list any more or should we just wait until we are actually scheduled for one?

Hi Dawn - I hope you are well. Several of my therapists received the letter your office sent outlining the new rate structure for IEEs. I am thrilled to see that Speech is covered now up to 500 but unfortunately, that is still short of our cost of \$550 for full evals on children over the age of 4. My understanding has been that by law, parents can ask for an exception in order to receive this service from us. Has anything changed as far as that goes?

What are the new rates? If they've improved we may accept them - being on the list would be much much better as this would likely increase the number of evaluations.

Beth,

What are the new rates? If they've improved we may accept them - being on the list would be much much better as this would likely increase the number of evaluations.

Andrew

Hi Beth -

I have never been part of that practice... Sorry. Laurie and Sarah are in the Virginia Smith & Associates. I am independent - solo practice. I share office space in FAIRFAX and McLean - but my billing address is 1722 Linwood Pl., McLean, VA. 22101. Parents who are interested in reaching me should contact me via the above email ([drquinnva@gmail.com](mailto:drquinnva@gmail.com)).

Thank you for sorting all of this out - and updating everyone's information.

Wow, we will accept those rates!!!!!!!!!!!!!! If it's \$1200 for ATE's and \$600 OTE's and the respective invoices are processed promptly (2 weeks) - we will refrain from seeking additional funding from this point forward and we will advise the attorneys/advocates and parents that contact us that FCPS IEE rates are fair market rate. Please confirm and we will move forward, accordingly.

Hi Beth -

I have never been part of that practice... Sorry. Laurie and Sarah are in the Virginia Smith & Associates. I am independent - solo practice. I share office space in FAIRFAX and McLean - but

my billing address is 1722 Linwood Pl., McLean, VA. 22101. Parents who are interested in reaching me should contact me via the above email ([drquinnva@gmail.com](mailto:drquinnva@gmail.com)).

What are the new rates? If they've improved we may accept them - being on the list would be much much better as this would likely increase the number of evaluations.

Cari,

Anything over the \$500 market rate is the parent's responsibility, as outlined in the letter your therapists received.

Hi Dawn - I hope you are well. Several of my therapists received the letter your office sent outlining the new rate structure for IEEs. I am thrilled to see that Speech is covered now up to 500 but unfortunately, that is still short of our cost of \$550 for full evals on children over the age of 4. My understanding has been that by law, parents can ask for an exception in order to receive this service from us. Has anything changed as far as that goes?

Ok thanks. The options right now for OT assessments would be Lauren Mazel, Cassandra Hawkins, Prerna Basnet and Este Sherwin. For speech you can take my name off that list as I no longer evaluate. You can also take Amanda DeAngelis and Magdalena Brier off of that list. Jane and Michael's licenses are attached.

Thanks!

Hi Dawn - I hope you are well. Several of my therapists received the letter your office sent outlining the new rate structure for IEEs. I am thrilled to see that Speech is covered now up to 500 but unfortunately, that is still short of our cost of \$550 for full evals on children over the age of 4. My understanding has been that by law, parents can ask for an exception in order to receive this service from us. Has anything changed as far as that goes?

None of the OTs on that list would be providing an IEE at this time. Would you like updated licenses on the SLPs you listed even though we aren't going to be on your list any more or should we just wait until we are actually scheduled for one?

Thanks

Hi Dawn - I hope you are well. Several of my therapists received the letter your office sent outlining the new rate structure for IEEs. I am thrilled to see that Speech is covered now up to 500 but unfortunately, that is still short of our cost of \$550 for full evals on children over the age of 4. My understanding has been that by law, parents can ask for an exception in order to receive this service from us. Has anything changed as far as that goes?

Hi Beth - Thanks for letting me know the change. Hopefully parents won't have issue with an additional \$50 should they choose to go with us for the speech/language IEE. Thank you for keeping us on the list for OT. By the way, I wanted to also let you know that we can conduct Assistive Technology evaluations also if needed. Our charges for those are below your allowed rate. Let me know if you need more information on that.

Thanks for the clarification,

As Dawn explained, anything over \$500 for a speech/language IEE is now the responsibility of the parent. Since FCPS has increased the rates, we will no longer grant exceptions.

Since you are not in agreement with the SL rate, I will be removing Skill Builders from that list, but as long as we have up to date records for your SLPs they can still conduct IEEs for FCPS students if parents pay the overage. Skills Builders will remain on the OT list as long as I have up to date records for your OTs.

Re: Independent Educational Evaluations (IEE)  
Rates

Dear IEE Provider:

Fairfax County Public Schools (FCPS) has updated the *FCPS Guidelines for Independent Educational Evaluations* (Guidelines), to include market rate payments for evaluations. If you agree to provide evaluative services as outlined in the new Guidelines and would like to be on our list of FCPS-approved IEE providers, please email me ([dmschaefer@fcps.edu](mailto:dmschaefer@fcps.edu)).

If you do not agree to accept the new fee schedule, you will not be included on our provider list. If you are not in agreement with the identified fee schedule, but meet the criteria in Sections I-III of the Guidelines, you may continue to provide IEEs to FCPS students; however, parents will be responsible for any cost overage. The new fee schedule will be effective immediately.

My office currently has the following documentation regarding your eligibility to conduct IEEs for FCPS.
