The Honorable Barbara Comstock
Member, U.S. House of Representatives
21430 Cedar Drive, Suite 218
Sterling, VA 22601

Dear Congresswoman Comstock:

Thank you for your inquiry on behalf of your constituent, Callie Oettinger. FCPS staff members have met with Ms. Oettinger on numerous occasions in an attempt to resolve her concerns

As part of these complaints, Ms. Oettinger shared her concerns about the Family Education Rights Privacy Act (FERPA) violations by several FCPS school-based employees. These issues were addressed with each employee by their supervisors, following FCPS protocol for employee discipline. In addition, staff from the Department of Special Services met with the school team to review the violations and to develop a plan to ensure these violations are not repeated.
