The following email is to confirm the College Board testing accommodation(s) you have requested for the PSAT at South County High School on October 29.

If you do not want to use any or all of your accommodation(s) on the PSAT test, please contact College Board IMMEDIATELY and email me as well so that we can make sure you are taking the right exam on test day.

These times are **approximations**...we hope to get started quickly, but we understand there may be some delay due to safety protocols for accessing the building and extension of breaks to allow for social distancing in using restrooms. Please see the [SCHS PSAT Page](#) regarding what to bring and social distancing protocols.

I advise you to bring water and snacks--you can snack during the embedded breaks.

**I will be sending details regarding exact arrival time, arrival entrance, and room number next week.**

Please contact me if you have any further questions leading up to PSAT Day.

Take care,

**Christopher Bird**
