Debra Tisler,

Thank you for submitting your Virginia Freedom of Information Act (VFOIA) request, which was received by Fairfax County Public Schools (FCPS) on August 20, 2021. On August 30, 2021 FCPS invoked a seven working day extension. Please see attached for reference.

Due to the extraordinary volume of responsive records, FCPS is requesting additional response time for records that are still being reviewed. FCPS will make these record sets available to you as they are finalized. We expect to finalize and send all records to you on or before November 9, 2021. Please let us know if you have any concerns with this timeline.

Responsive record set 1 is being transmitted via Dropbox at the link below. Please download a copy of the records for your use. Please note that the Dropbox link to the records will expire 60 days from September 10, 2021. Please be advised that records were redacted in part pursuant to Va. Code § 2.2-3705.1(2) (attorney client privileged communications.)
