Mrs. [REDACTED],

Can you please tell me the process of this?
Please see the attached letters.
There should be some sort of mechanism for children to still receive virtual instruction.
It seems to me to be more cost efficient to add a child to a virtual class than to have one homebound teacher assigned to a child.

Thank you,

Ms. [REDACTED] -

Your email requesting information regarding virtual school for both of your children was forwarded to me. At this time the FCPS Virtual School is closed to new applicants. If your children have a new medical condition and would like to be considered for homebound services I have included our school social worker [REDACTED] on this communication to help you navigate that process.

If you have additional questions or concerns please reach out to me. Thank you.
