Subject: FW: [External] Directed Investigation, No. 11-21-5901 - Data Request

All,

We have received the attached data request regarding the directed COVID investigation from OCR. Kathy will gather the requested data and draft the narrative response. We'll work with Bob and John C.'s team to make sure we have legal support. I've also requested an extension to June 1 given the breadth and depth of the data request.

Please let me or Bob know if you have questions or concerns.

Many thanks,

Dawn

Good morning Dawn,

Please find attached a letter clarifying the focus of OCR's directed investigation, initiated on January 12, 2021, along with an initial request for relevant information.

I am happy to discuss this further with you by telephone, if that would be helpful, but please know that I will be unavailable Wednesday through Friday of this week.

I want to thank you for your patience over the past few months, and I look forward to working with you on this going forward.

Thank you.
