

Special Education Lead Teacher Meeting

October 12, 2020

.....

Introduction

Grounding Activity [link](#). As you are waiting for us to get started, please visit the grounding activity and enter your answer.

[Link](#) to today's presentation.

[Copy](#) of Meeting Guide for participants for taking notes.

This guide is intended to supplement the information shared during today's meeting. **Create a [copy](#) for taking notes and to share with your team.**

Are you using one screen and want to be able to view the presentation as well as these notes? [Follow these directions](#) to view two windows on one screen at the same time.

Do you have questions that you hope will be answered today? Add them to this [Padlet](#). If we do not answer them during the meeting, we will have time at the end to address your questions.

Sharing Successes

The link for this activity will be posted in the chat window

You will randomly be placed in groups. Please navigate to the slide with the number of your group at the top. (Your room number is the number of your group)

Each group will need one timekeeper and one person to keep an eye on the chat window for messages from the moderator. Each person in the group will need to have the slide show open.

Part 1

Take 1 minute to enter your name and school in the chart on the slide that aligns with your group / room number. Pick a timekeeper and chat window watcher.

Take approximately 30 seconds each to introduce yourself and share:

Name

School

Role (department chair, administrator, etc.)

Part 2

Step 1. You made it! You have helped your school prepare for and get through the first month of a school year which has started unlike any other. While the “what” of our work has not changed much, the “how” has changed tremendously.

Undoubtedly there have been a few bumps in the road, however, each of you have come up with new ways to do the work that needs to get done. This activity provides your group an opportunity to share the strategies that have worked to get your school and special education team through the first month of the 2020-21 SY.

See slide 2 for your group. Think of a strategy you have tried this year that worked. Say the strategy out loud and add it to the left column of the appropriate chart.

Only add one strategy per turn. Each person will get multiple turns. Don't be limited by the categories provided - Team members are encouraged to add strategies that they found to be successful in the 'Other' section of the chart.

<5 minutes>

Step 2. Add your initials to the right hand column in each section for a total of 4 strategies for which you would like more information or plan to duplicate. Which 4 strategies have the most votes? <1 minute>

Step 3. Take 5 minutes to discuss the strategies which have the most votes to learn more about them.

Part 3

Move to the next slide. Take 5 minutes to discuss how you will share the information from today's meeting with your special education team. Add some ideas to your slide.

The moderator will pull everyone back to the main room at the end of the time.

Primary Case Manager (PCM) in SEA-STARs

Notes:

The screenshot shows the 'Primary Case Manager and Staffing' interface. At the top, there are buttons for 'Save', 'Undo', and 'Export'. Below that is a search bar and a filter section with dropdown menus for 'Grade', 'Primary Service', 'Category', 'S/R', 'Add. Services', 'Primary Disability', 'Assigned Primary CM', 'Assigned By', 'Current Program', 'Projected Program', and 'Projected School'. There is a 'Clear All Filters' button. Below the filters are buttons for 'Students' and 'Deselect All Students'. The main part of the interface is a table with the following columns: 'Add/Remove PCM', 'Student Name', 'Student ID', 'Grade', 'Primary Service', 'S/R', 'Primary Serv. Hrs Total/Wk', 'Add. Services', 'Total Serv. Hrs/Wk', 'Primary Disability', 'Assigned Primary CM', 'Assigned By', 'Current School Year Program', 'Projected Program: Next School Year', and 'Projected School: Next School Year'. There are three rows of data. Red callouts 1, 2, 3, and 4 are placed above the table headers for 'Assigned Primary CM', 'Assigned By', 'Current School Year Program', and 'Projected Program: Next School Year' respectively.

Add/Remove PCM	Student Name	Student ID	Grade	Primary Service	S/R	Primary Serv. Hrs Total/Wk	Add. Services	Total Serv. Hrs/Wk	Primary Disability	Assigned Primary CM	Assigned By	Current School Year Program	Projected Program: Next School Year	Projected School: Next School Year

Notes:

How to view two windows on one screen:

1. Open the first program / window that you want to view.

2. Press the windows key on your keyboard at the same time as the left arrow key. The window you are viewing will move to the left side of your display.

3. Open the second program / window you want to view.

4. Press the windows key and the right arrow key. The second window / program will move to the right half of your screen.
