

Recovery Registration Form Directions

Student must have recovery services on the current IEP with service dates between 6/13/2022 and 8/22/2022.

Open the form by clicking on the 'Create' button for the REC-1 Recovery Registration Form on the IEP documents tab

Complete the Recovery Information section

1. 'Does student have a current IEP?' checkbox will be checked and cannot be edited

2. Indicate if the student is attending both ESY and Recovery or only attending Recovery

3. Indicate if the recovery services will be provided at an ESY Site or at the student's base or attending school.

4. Choose the site that the student will receive services. Can only choose Base/Attending school or ESY site based on the answer to the prior question.

5. Enter the name of the recovery teacher, if known. This field can be left blank if the name of the recovery teacher is not known.

Complete the Programs Needed section
