Good morning, [REDACTED],

I wanted to reach out to you regarding your response to the transportation options on the PSAT FCPS Intent to Participate form. You noted that both [REDACTED] and [REDACTED] would require transportation to and from school on October 29. FCPS can provide morning transportation to both [REDACTED] and [REDACTED], but only [REDACTED] will be able to take FCPS transportation home. Due to the length of [REDACTED] test based on [REDACTED] accommodations, FCPS cannot run buses for this unique schedule. [REDACTED] will be permitted to bring [REDACTED] cell phone so that [REDACTED] can reach out to you to arrange transportation at the end of [REDACTED] test.

Thank you,

Mary "Molly" Brady
