Ms. Oettinger,

Attached are the documents which were included as part of FCPS' Corrective Action. The only portion not included with this email is a list of the students (5) who were the subject of the administrative review. This list is not included as it contains personally identifiable information. The Corrective Action Update letter provided to FCPS is also attached.

Subject: 6.6.23 Corrective Action Plan

VDOE,

FCPS was supposed to submit its corrective action plan in response to the 6.6.23 LOF today.

Where is it?

Please forward it to me.

As you know, FCPS has a problem with CAPs, so I request a copy, as is my right since I filed the complaint.

Thanks,

Callie Oettinger
