RE: November Billing Statements

Dear Mr. Foster:

Enclosed are our firm's statements for November 2019. Those statements are dated 11/22/19. As you can see from the individual statements, there are extensive costs for matters 230 and 750 for expert witness fees, and deposition transcripts.

In addition, per our discussion on 11/13/19, I have added the four statements inadvertently omitted from the 9/30/19 billing package. Those statements – dated 9/30/19, as indicated on the summary sheet – are included in their appropriate place in matter order.

We would be grateful if you could place these statements in line for payment in the ordinary course. As always, if you have any questions, please do not hesitate to let me know.

Very truly yours,

John F. Cafferky
