John,

Do you have a list of how many cases are currently pending in which we are using these firms? Additionally, do we have a number of cases in which they have defended us and won over the past 5 years?

Thanks

Karen

Dear School Board Members,

This Thursday, the School Board will approve its annual organizing resolution, including the annual appointment of outside law firms "as assigned and managed by the Office of Division Counsel." Several of you have asked about the outside firms and why and how they are chosen for inclusion in the resolution. Please see the attached memorandum that discusses those questions.
