Good afternoon,

Thank you for all your work to improve education in the Commonwealth during this legislative year. We know you – like all Virginians – are trying to make the best of the current crisis situation.

The Big 8 Coalition (Virginia School Divisions with more than 30,000 students) has continued to meet to work through the Budget and other education issues. We would very much appreciate it if you would read and consider the attached letter regarding funding.

Thank you again and stay well,

Johnna Cossaboon, Government Relations Director, Advantus Strategies
