good afternoon Lisa

hope this email finds you well

attached please find the Cover Letter and the Final Report on the Project

i look forward to hearing from you regarding your reaction to the Findings and Actionable Recommendations which are contained in the report

as we discussed, we have attempted to accomplish the Scope of Work as originally agreed, and provide a succinct Report of the Findings from the stakeholders we interviewed, and have based the Actionable Recommendations on those findings

and yes, even though the Report is due on Sept 30, you are receiving it on Sept 28!!

THANKS for all your help and support during our work on this Project
