Karen,

We will respond. We did inadvertently share some information with another parent.

We are reviewing our process and will provide an update next week.

John will send language to the board this afternoon.

Sincerely,

Scott

Folks,

Someone needs to respond to Ms. Oettinger re: the complaint below. Is this a factual representation? Were here REDACTE's files shared with another family? If so, how and what are we doing to rectify the situation. We need to be diligent in how we address these issues.

Additionally, guidance from legal needs to be sent immediately to the board on how they should treat this correspondence.

Karen
