Here are the notes and chat copies for physics today! The notes that are screen shots from class were sent to the student separately in an email, which you were included on. I hope you're feeling better!

Good afternoon Tina,

I hope everything went well and you are recovering! Please let me know if you need anything. Attached to this email is the chat from today's History Honors class. The student did not respond at all to the chat. I will also forward the recording of today's class for your records. If you have any questions, please let me know. Have a wonderful day!

Telia
